NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Friday, August 1, 2025:

MINUTE entry before the Honorable Young B. Kim: Parties' stipulation [74]---treated as a joint motion for extension of time---is granted. Defendant now has until September 2, 2025, to complete its discovery responses to Plaintiffs' discovery requests, including the production of responsive ESI and privilege log. Parties then have until November 3, 2025, to complete their meet-and-confers about the adequacy of each side's discovery responses. If written discovery issues remain, they now have until December 3, 2025, to file motions to compel. If timely motions are filed, the opposing side has until December 17, 2025, to file a response. This is a firm schedule. Parties are to plan accordingly. Finally, if a modification to a court ordered schedule is needed, the parties should file a motion for relief explaining good cause, not a stipulation. (ec,)
